

Woodland Wonders Infant milk powder– Step 1, 2 & 3

The basis for your child's physical and mental development begins from the very first day of feeding. Woodland Wonders' Infant products are designed to suit the unique needs of your baby's age group, considering their evolving energy and nutritional requirements.

1. Tailored to the infants nutritional needs in the first six months of its life

⋮

2. Supplies babies from the age of 6 to 12 months with all important nutrients

⋮

3. Contains all nutrients to support the toddler's diet from the age of 12 months onwards
